that girls in those parts should be denied of education, Sir?

Srimathi GRACE TUCKER.—That is not the point at all. There are fewer children wanting to go to schools in villages; the number would be very few and will not demand a whole school to be put up. They may have other institutions. They may go into other schools which are co-educational.

Bellara-Kandikere Road in Chikkanayakanhalli Taluk.

Q.—153. Sri C. K. RAJAIAH SETTY (Chikkanayakanahalli).—

Will the Government be pleased to state:—

(*a*) when was the laying of Bellara-Kandikere Road of Chikkanayakanahalli Taluk commenced ;

(*b*) the amount spent over it so far;

(*c*) when it is expected to be completed?

A.—Sri T. MARIAPPA (Minister for Finance) [on behalf of SRI R. CHENNIGARAMIAH (Minister for Local Self-Government)].—

(*a*) October 1942.

(*b*) Rs. 19,737.

(*c*) As soon as the finances of the District Board, Tumkur, permit.

Sri C. J. MUKKANNAPPA (Gubbi).—On a point of order. When the Chair asked the Member to put the question and when the question is put and an answer is expected, the Minister is busy with some other matter and is discussing with an other Minister. When the Minister is expected to be attentive when the question is put, he is discussing with the Agriculture Minister. Is it right? I want a ruling on this.

Mr. SPEAKER.—It is not necessary to give a ruling ; there is no point in it.

Sri T. HANUMAIAH.—When there is no point of order, what is the use of giving opportunity to discuss?

Mr. SPEAKER.—Unless the point of order is explained, it would not be possible to say whether it is a point of order or not. Now, I have said that there is no point of order.

Sri C. K. RAJAIAH SETTY.—May I know the cost of estimate Sir?

Sri T. MARIAPPA.—The first estimate was for Rs. 18,120.

Sri C. K. RAJAIAH SETTY.—Has it not been revised?

Sri T. MARIAPPA.—The first estimate was for Rs. 18,120. It was later revised to Rs. 19,732 and work was completed so far as four miles of road was concerned.

Sri C. K. RAJAIAH SETTY.—May I know when the balance of the work would be taken up?

Sri T. MARIAPPA.—Sir, the District Board are pleading that they have no funds. We have been pursuing the matter.

(*Sri G. N. Puttanna rose*)

Mr. SPEAKER.—Next question.

Sri G. N. PUTTANNA.—This is an important question and I request the Chair to allow me to put supplementaries.

Mr. SPEAKER. I have allowed sufficient number of supplementaries.

Sri A. BHEEMAPPA NAIK.—On a point of order. Could the Speaker be so lenient as to allow so much of discussion even when the next question is called? If this kind of things goes on, my friends on the opposition side will say that there is no discipline on the Congress side. Is this the way in which they are leading us in observing discipline? Is it correct ?

(*Several Hon'ble Members rose*)

Mr. SPEAKER.—I request Hon'ble Members to take their seats. I have found during the last few days that something has entered this House ; something abnormal has entered this House. Of course, I take the responsibility on myself. After all, you must know that the Chair will control the whole thing. When I say that next question should be taken up, it must be respected.
